During the Summer Months

Perry's & Upstate Farms Ice Cream

Neckers Company General Store has carried Perry's Premium Ice Cream & Upstate Farms products on its shelves for several years. In April of 2015, the store underwent renovations to add a walk-up window to the exterior of the building, where ice cream is now scooped and served during the summer months!

From May to September, the walk-up window is open from 11 am to 8:30 pm, Monday through Saturday. Subs, pizzas and both hard & soft-serve ice cream can be ordered even later in the evening, after the rest of the business closes!

-Prices are subject to change at any time without notice.

-All items have New York State sales tax added at the register.

-Neckers Company is not responsible for any typographical errors.

-Pizza Shop hours of operation vary from regular store hours.
